### INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees Community Harvest, Inc.

I have audited the accompanying statements of financial position of Community Harvest, Inc. (a nonprofit organization) as of June 30, 2013 and the related statements of activities, cash flows and functional expenses for the year then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit. The prior year summarized comparative information has been derived from the Organization's 2012 financial statements and, in my report dated November 30, 2012, I expressed an unqualified opinion on those financial statements.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net asset balances of Community Harvest, Inc. as of June 30, 2013, and its support, revenue and expenses for the year then ended, in conformity with accounting principles generally accepted in the United States of America.
